

## Terms and Conditions

**Taxes and Fees** - Our online booking software charges a 6% convenience fee. The state of Idaho charges a 6% sales tax. Free delivery is available, or delivery to a waterfront property/location is \$150.00. Furry friends are welcome with a \$25.00 pet fee. Please review the Cancellation Policy and Late Return Policy for additional fees. Smoking and beaching violations will result in a \$500 fee per violation.

**Damage Deposit** - A \$500.00 damage deposit will be held and fully refunded if the watercraft is returned damage free. Any damages incurred to the watercraft or equipment are the full responsibility of the renter and will be charged to the credit card on file before the \$500.00 damage deposit is released. If the damages exceed the damage deposit, they are still the sole responsibility of the renter and will be charged accordingly.

**Cancellation Policy:** Reservations must be canceled 14 days prior to the rental date to avoid a \$250 late cancel charge. Reservations made on holiday weekends (Memorial Day, Fathers' Day, Independence Day, Labor Day) will not be refunded. If hazardous weather is predicted (lightning, high winds, etc.), we will try to move you to another day if possible, and if not a full refund will be given. No-shows will result in the full amount of the rental plus tax charged to the credit card on file.

**Late Arrival Policy** - Renters should contact 208 Boat Rentals in advance of their rental time if they will be more than 15 minutes late. Renters should arrive 15 minutes before their start time to receive safety and watercraft orientation, and to ask any questions. Start Time/Return Time will remain the same despite late arrival, and orientation must be completed prior to taking the watercraft out.

**Late Return Policy** - Failure to return the watercraft and equipment at the stated return time will incur a \$250.00 fee as well as the prorated amount for the time. It is crucial to return on time to ensure that 208 Boat Rentals has enough time to prepare and deliver the watercraft to the next renters.

**Fuel Policy** - The watercraft will be delivered with a full fuel tank. If you prefer not to refuel the watercraft before returning it, we can provide that service and the cost of fuel will be charged to the card on file. If there are no open fuel stations on the selected lake, 208 Boat Rentals will refuel and only charge the cost of fuel.

**Hours of Operation** - The boat can be operated between the hours of 8:00 am and 7:30 pm. If it is a multi-day rental, the boat should be operated only from the hours of dawn to dusk.

**Substance Use: Alcohol/Drugs** - The person operating the boat agrees to not be under the influence of any type of alcohol or drugs.

**Health Notice:** Our boats receive a thorough cleaning before and after each rental period. Renters and participants assume all such risks related to COVID-19 or other communicable diseases/illnesses.

**Other Rules/Information** - All renters of the watercraft must be at least 25 years of age and provide ID. No one else should operate the boat without prior authorization from 208 Boat Rentals. Weather and water conditions can change quickly and become dangerous. Renters must monitor both at all times. No smoking and no beaching the watercraft. All participants need to be present for a safety orientation and review and sign our waiver and other rental forms. If rental modifications are necessary, please contact 208 Boat Rentals.
